Dear Sir/Madam:

In furtherance of the telephonic interview conducted with the Examiner on February 8, 2006, Applicant provides this summary: Applicant discussed the Amendment and Response filed by a certificate of mailing on February 2, 2006. Applicant discussed the prior art and particularly the Allen reference. The Examiner indicated that the Amendment appeared to overcome at least the Allen reference. However, the Examiner indicated she would have to conduct another search to determine allowability of the claims, and would contact the undersigned if another reference was found. There was therefore no agreement as to allowability of the claims.

Respectfully submitted,
